

# A Second Semester Statistics Course with R

*Mark Greenwood and Katherine Banner*

*2017-06-26*

# Contents

Acknowledgments	5
1 Placeholder	7
2 Placeholder	9
3 Placeholder	11
4 Two-Way ANOVA	13
5 Chi-square tests	15
6 Correlation and Simple Linear Regression	17
7 Simple linear regression inference	19
8 Multiple linear regression	21
9 Case studies	23
